

INSTALLATION INSTRUCTIONS

BRICK

Please use these instructions as a general guide for the following brick-in letterboxes:

- 220 Venice
- 230 Capri
- FB12

1. Build your brickwork up to the desired height.
2. Detach the letterbox front panel by loosening the nuts via the back door.
3. Once the front panel has been detached, place the letterbox on the brickwork and complete the remaining courses.
4. Re-attach the front panel to the letterbox using the nuts provided.
5. Your letterbox is ready to use.
