

INSTALLATION INSTRUCTIONS

NUMBERS - STICK ON

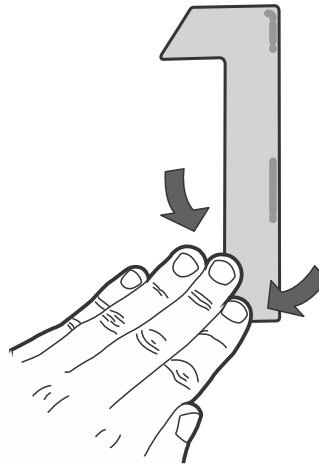

Please use these instructions as a general guide for all 75mm stick on numerals

1. Lightly pre-mark the correct position for the number(s) with a pencil.

2. Peel off the protective backing.

3. Ensure surface is clean and dry. Carefully place the number(s) in position and press it down firmly.

4. Once the number(s) are in place remove any pencil marks with a damp rag.
