

# ASHGROVE LETTERBOX

## 203 - Front Panel

Congratulations on purchasing the Ashgrove letterbox. We have designed the Ashgrove to offer a stylish, efficient and convenient way to have mail delivered securely to your home.

Prior to attaching the front panel, the sleeve needs to be installed into your brick wall. Refer to the instruction sheet included with your sleeve.

- Align the sleeve holes with the corresponding front panel studs. Secure the panel using the washers and nuts provided.
