## 743F3 - Front Panel (Fixed)

Congratulations on purchasing the Monza letterbox. We have designed the Monza to offer a practical and stylish way to have general mail delivered to your home.

Prior to attaching the front panel, the rear box/sleeve needs to be installed into your wall/fence. Refer to the instruction sheet included with your rear box/sleeve.

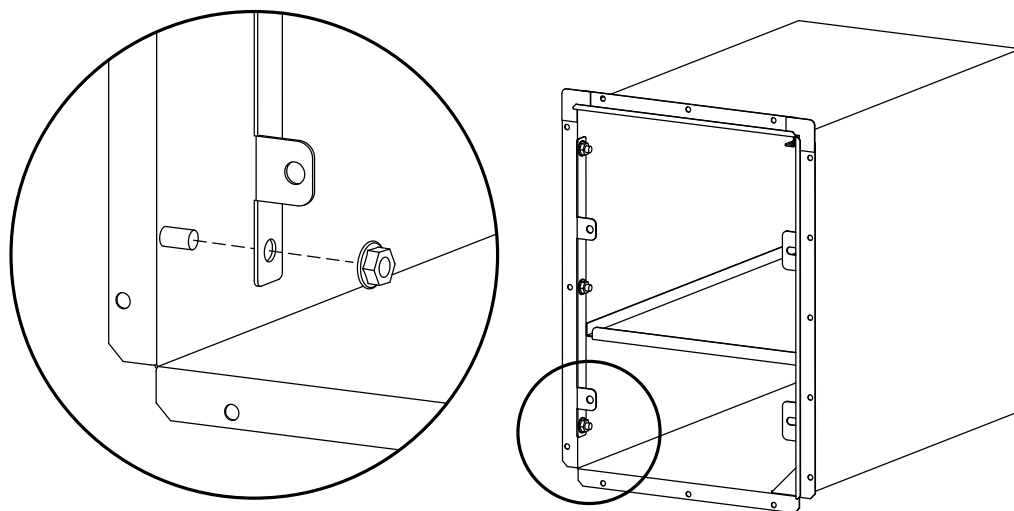

## Contents

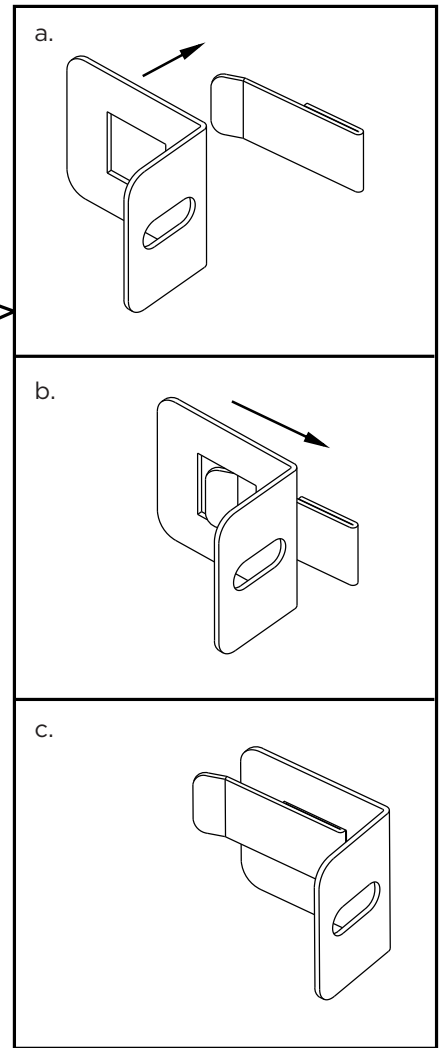

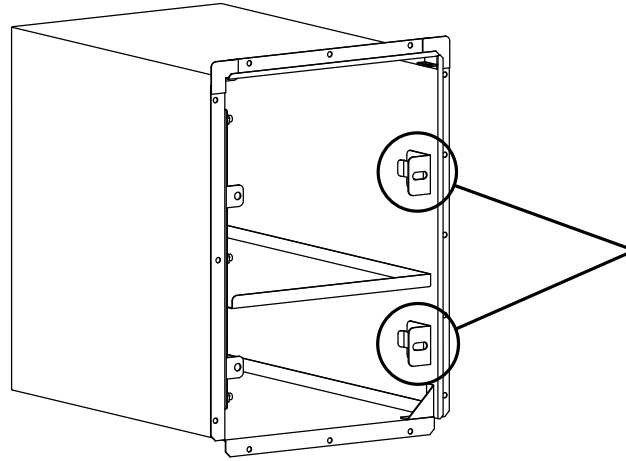

## Installation

1. Attach mounting bracket to the three studs with the nuts provided.

2. Attach mounting clips to the right side of the rear box/sleeve.

Note: Steps a, b & c illustrate how to secure the mounting clips (see right).

3. Secure the front panel using the nuts provided.
