

TORINO LETTERBOX

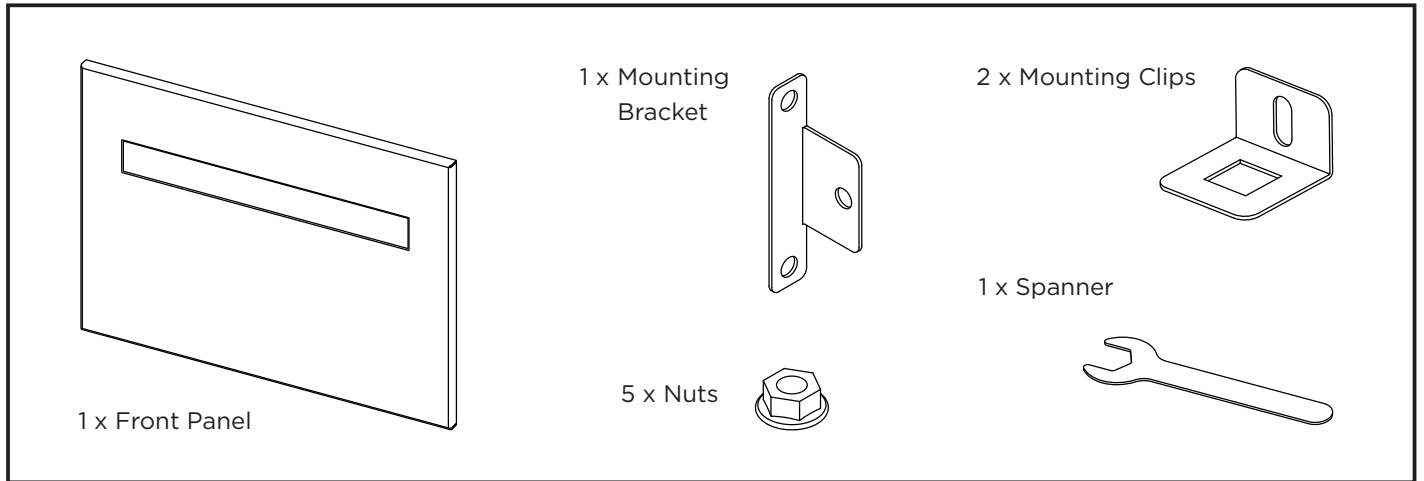

763F3 - Front Panel (Fixed)

Congratulations on purchasing the Torino letterbox. We have designed the Torino to offer a practical and stylish way to have general mail delivered to your home.

Prior to attaching the front panel, the sleeve needs to be installed into your wall/fence. Refer to the instruction sheet included with your sleeve.

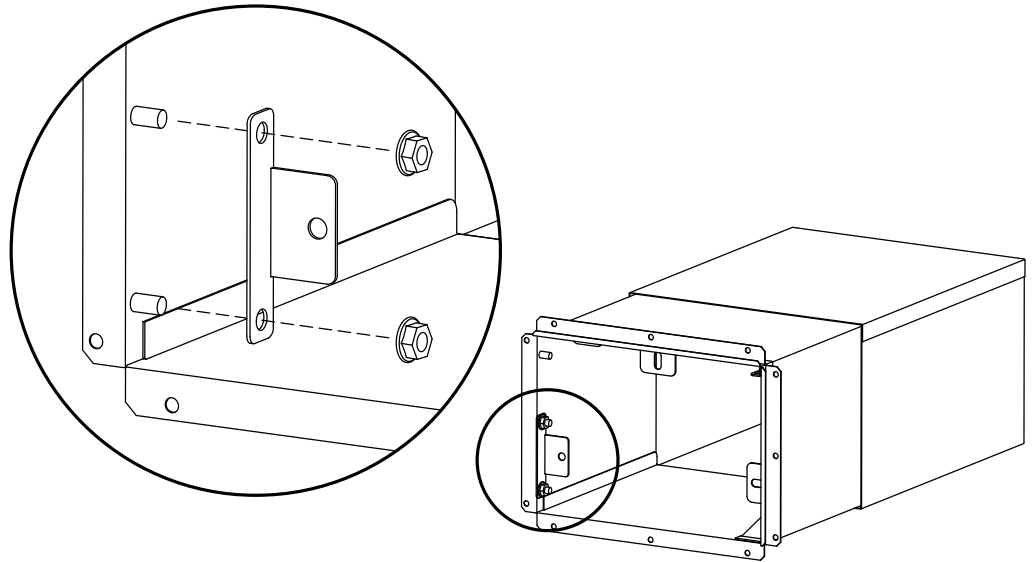

Contents

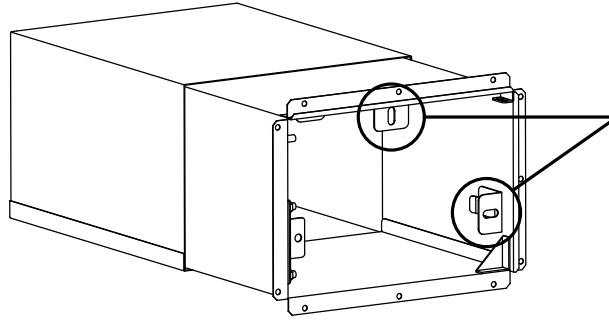

Installation

1. Attach mounting bracket to the bottom two studs with the nuts provided.

2. Attach mounting clips to the top and right side of the sleeve.

Note: Steps a, b & c illustrate how to secure the mounting clips (see right).

3. Secure the front panel using the nuts provided.
