

# Firewood Storage Rack

**F173**

## Contents

Your carton should contain the following parts:

- 1 x Front Panel
- 1 x Rear Frame
- 2 x Side Frames
- 1 x Accessories Bag

## Instructions

1. Align the 2 x front mounting holes of the left side frame with the front panel mounting holes. Attach these two parts together using the nuts, washers and bolts provided.

2. Align the 2 x rear mounting holes of the left side frame with the rear frame mounting holes. Attach these two parts together using the nuts, washers and bolts provided.

3. Align the right side frame with the other mounting holes on the front panel and rear frame. Attach these parts together using the nuts, washers and bolts provided.
